

Congratulations to our  
2026 Campus Ministry Award Winners  
Presented by the Grace Center for Faith and Community

**Dr. John Blasi Award for Service – Mya McLean-Wilson '26**

Dr. Blasi embraced the Ignatian value of service and involvement with the local Syracuse community by starting the Projects in the Community program over 40 years ago. This award recognizes a student who has served the community at large through advocacy and volunteer work. This person demonstrates an understanding of the College's mission by putting it into consistent action through the desire to be a woman or man for others.

**The Rev. Andy Brady, S.J., Award for Leadership in Ministry – Thomas Kapinus '26**

Father Brady was Le Moyne College's first chaplain and he set the stage for the activities of Campus Ministry. This award recognizes a senior whose dedication exemplifies leadership in all areas of Campus Ministry. The recipient of this medal has demonstrated a passion for self-exploration, has striven to deepen an understanding of Ignatian ideals, and has worked hard to put this understanding into practice.

**The Rev. John P. Bucki, S.J. A.M.D.G. Award – Quincy Le Tisha Mae Gomez '26**

Father Bucki came to Le Moyne in 2012 and served as director of Campus Ministry and rector of the Le Moyne College Jesuit community for five years before passing following a brave struggle with lung cancer. His energy, enthusiasm and joyfulness radiated the goodness of God and he taught by word and example, reminding us to relax, and to always live in the Spirit as a person for and with others. This award honors a student who has made exceptional contributions to the prayerful, reflective and spiritual life of our campus community. This student has clearly demonstrated a commitment to growing in his or her own spiritual journey, and has taken the initiative to invite and guide his or her peers into a deeper relationship with God.
