

Cost of Attendance

Le Moyne College Physician Assistant Studies Program

2026-2028

The following information provides an estimate of the cost of attendance for the Le Moyne College Physician Assistant Studies Program during the 2026–2027 and 2027–2028 academic years. Cost of attendance includes both **direct costs**, which are billed by Le Moyne College, and **indirect costs**, which are estimated educational and living expenses that vary based on each student's individual circumstances.

Direct (Billed) Costs

Direct costs are charges billed by Le Moyne College each term. Payment arrangements must be completed by the first day of the term. These costs are generally the same for all students, regardless of residency.

Indirect (Estimated) Costs

Indirect costs represent educational and living expenses that are not billed by Le Moyne College but are commonly incurred while enrolled in the program. These estimates are based on regional cost averages and may vary depending on individual circumstances. The Office of Student Financial Services is available to assist students in developing a financial plan to help meet their educational expenses.
